

Our Vision – Feminist leaders working together locally to eliminate violence against women globally.

Our Mission – Feminist leaders and their allies advocating through service to women and children who have experienced violence and abuse by providing safe space. We engage, empower and educate individuals and the community.

Our Values – In our everyday practice, we are held accountable by the values that connect us; Integrity, Honesty, Trust and Respect. These values guide our relationship with each other and our work with women and children.

As a member I agree with, and promote Ishtar Society's Vision, Mission and Values.
